

Augusta Junior Rowing Lettering Criteria and Academic Eligibility

Lettering Criteria

1. The student must maintain a 2.5 GPA on a 4.0 scale.
2. The student must attend all scheduled regattas as described in the Attendance Policy.
3. The student must attend and participate in 90% of all scheduled practices.
4. The student must have a good record of discipline and have followed the code of conduct, rules, and policies of the program without any major incidences.

Academic Eligibility

To remain eligible as a member of the team, each athlete must maintain a letter grade of C or higher in each subject. Progress reports and report cards are to be turned in to the coach. Athletes who are suspended from the team due to grades may return to participation by turning in proof that the grade in question has been brought up – a test, a progress report, or a note from a teacher. If someone is struggling in a subject, the parents and coach must communicate and take a course of action which is best for the athlete.
